Whites are the superior race. Racism no longer exists. I don't see color. I'm not racist but... I just don't like ghetto. This is god's will. Whites are the superior race. I don't like ghetto. If he/she had just... I just don't like ghetto. Racism no longer exists. How am I privileged if I am poor? I don't see color. There is only 1 Race, the human race. Whites were slaves too. Love conquers all. I will help you, but only if I lead. If they want our help they should be nicer/more respectful. There is no need for POC to have their own safe spaces. Yes, my life as a poor white person has been hard but it isn't as hard as if I were poor AND a POC. I will put my safety, health & freedom on the line to fight for POC. I will let them lead and not try to be at the center.

Systemic racism is very real and needs to be ended. White Savior. Awareness. Allyship.

*Note: It is common for most people to move back and forth along the scale regularly.
